Dr. Robert L. Bryant
Director
Mathematical Sciences Research Institute
17 Gauss Way
Berkeley, CA 94720

Dear Dr. Bryant:

I am pleased to congratulate the Mathematical Sciences Research Institute on its 25th anniversary. I am sorry I cannot be here to celebrate with you on this special day.

For a quarter century, the Mathematical Sciences Research Institute has been one of the world's premier centers for research in the mathematical sciences. By bringing mathematicians to the institute and educating the public about the importance of mathematics, the MSRI has done much to ensure that California remains on the cutting edge of science and technology.

I would like to take this opportunity to thank all of the staff members of this wonderful organization for all their hard work and dedication. As a United States Senator representing the people of California, I congratulate the Mathematical Sciences Research Institute on its 25th anniversary year and I wish you continued success.

Sincerely yours,

A handwritten signature in black ink that reads "Dianne Feinstein". The signature is fluid and cursive, with a large initial "D".

Dianne Feinstein
United States Senator
