

SURVEY ABOUT 3BL (Organic Chemistry Lab)

prepared by Silvio Levy, GSI for 3BL

September 14, 2007

IMPORTANT: Please return at the end of the lab period on Sep 14 or Sep 21, or email the answers to levy@msri.org. You can, but don't have to, identify yourself.

Which part(s) of this course do you find most enjoyable? Please assign numbers from 1 (least enjoyable) to 5 (most enjoyable). Ties are OK — an absolute ranking is not required.

|--|--|
| <input type="checkbox"/> Prelab meeting (Mon 3-4 pm or Fri 5-6pm — not the 3B lecture) | <input type="checkbox"/> The experiment itself |
| <input type="checkbox"/> Written prelab assignment | <input type="checkbox"/> Cleanup (just kidding) |
| <input type="checkbox"/> Demonstration or discussion at the beginning of the lab meeting | <input type="checkbox"/> Report writing |
| <input type="checkbox"/> Other in-lab interaction with GSI | <input type="checkbox"/> Study by oneself or with classmate |
| | <input type="checkbox"/> Office hours with GSI or 3BL instructor |

Which part(s) of this course do you find most useful for learning and for accomplishing your goals for this course? Please assign numbers from 1 (least useful) to 5 (most useful). Again, ties are OK.
