

# May 12

## 2021 VIRTUAL GATHERING

10:00 AM - 1:00 PM U.S. PACIFIC TIME

# CELEBRATION OF WOMEN IN MATHEMATICS

The **Celebration of Women in Mathematics on May 12** is part of an international initiative to inspire women everywhere to celebrate their achievements in mathematics, and to encourage an open, welcoming, and inclusive work environment for everybody. May 12 was chosen for this annual event, as it is the birthdate of mathematician Maryam Mirzakhani.

The Mathematical Sciences Research Institute's virtual 2021 event will include a short film about women in mathematics; clips from a film about Maryam Mirzakhani; a panel discussion; breakout rooms on the subjects of Math and Racial Justice, Balancing Family and Work, Imposter Syndrome, and the Impact of COVID-19; and a virtual social "tea".

Featured Panelists:

- **Alicia Dickenstein** (Universidad de Buenos Aires; Instituto de Investigaciones Matemáticas "Luis A. Santaló")
- **Olubunmi A. Fadipe-Joseph** (University of Ilorin)
- **Suzanne L. Weekes** (Society for Industrial and Applied Mathematics (SIAM); Worcester Polytechnic Institute)
- **Maria Wesdickenberg** (RWTH Aachen University)

» Register Online

**Online Event: Free and open to worldwide participation.**

Please register to receive event Zoom link and full schedule details.
