

THE MATHEMATICAL SCIENCES RESEARCH INSTITUTE *presents*

THE | **SIMONS** Biology
Colloquium

Lectures by

Dr. Robert Schleif

Professor

JOHNS HOPKINS UNIVERSITY

DEPARTMENT OF BIOLOGY

A Lecture on

**Information Storage and Retrieval
Functions of DNA**

Wednesday, March 21, 2007

4:00 p.m.

A reception, from 3:15 p.m. to 4:00 p.m.,
in MSRI's Atrium precedes the lecture

in the Simons Auditorium at MSRI's Chern Hall

17 Gauss Way, Berkeley

Near the intersection of Centennial Drive & Grizzly Peak Blvd.

A Lecture on

**DNA Looping: Its Discovery and
Utility in Gene Regulation**

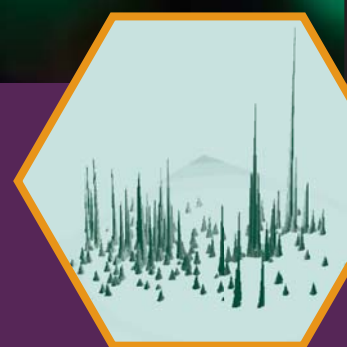

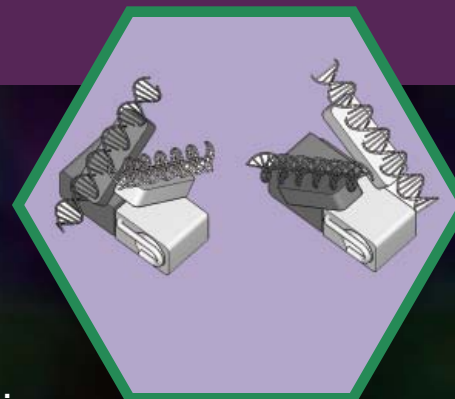

Friday, March 23, 2007

4:00 p.m.

in the Simons Auditorium at MSRI's Chern Hall

17 Gauss Way, Berkeley

Near the intersection of Centennial Drive & Grizzly Peak Blvd.
